Re: Letter of Recommendation for: c. Benjamin Anyacho and Able J Resources

I have known C. Benjamin Anyacho, for over six years. He serves as the president and founder of Able J Resources and as Executive Director of Apostolic Bridge Builders (ABB). Benjamin has been an invaluable asset to the faith-based and business community in our region since the past 8 years.

Since I knew Benjamin, he has always displayed a high degree of integrity, compassion, responsibility, and ambition as he mobilized hundreds of leaders in Austin and the region towards city and regional transformation. I have confided in him several times and have a deep sense of respect for him. I was privileged to speak in one of his statewide leadership conferences in Austin by August 2005. You can always believe that Benjamin and his Able J Employee Assistance Program (with chaplaincy) team will deliver on their promise. He has turned every project he has embarked on into gold. His good judgment, professionalism, compassion and mature outlook ensure a logical and practical approach to his endeavors.

Mr. Benjamin Anyacho and his Able J Resources EAP chaplaincy team have earned my wholehearted endorsement and recommendation to any company or organization that puts a high premium on its human resources and their family members.

I was a city of Austin council member for 5 years and mayor pro temp for a year. If you'd like to discuss his attributes in more detail, please don't hesitate to contact me at 512-926-1601.

Sincerely,
