Encouraging communities of compassion

“The whole Church taking the whole Gospel to the whole city”

You are a piece in the puzzle

Be stirred by the testimonies of compassionate city leaders. Strategize with other ministries on the cutting edge. City Impact Roundtable gathers together “fire-starters” from the city of Austin to kindle the passion for God in the hearts of the Community and Church. Come and be empowered to be unconventional in your approach to city-impact. We hope and pray that our City and lives will never be the same.
